
PANEL EVALUATION

A RFEI prospectus, inviting the public to submit proposals

Proposals were accepted from_____. _____ proposals were submitted timely to the National Park Service in response to the prospectus. Those proposals were received from:

1. XXXX
2. XXXX
3. XXXX
4. XXXX

The evaluation Panel consisted of federal employees from the National Park Service and member of the Fort Hancock Federal Advisory Committee. It convened _____, at the _____. The following served as evaluation Panel members:

1. XXXX
2. XXXX
3. XXXX
4. XXXX

The evaluation Panel reviewed and evaluated the _____ proposals received. A score for each evaluation criteria was assigned on the basis of the evaluation. A _____ or cumulative point score for each proposal was given based on the assigned score for each selection factor.

Preference will be given on the basis of:

- the quality of rehabilitation and reuse of existing structures, and maintenance of the cultural landscape, and
- the degree to which visitor use, enjoyment, and education are enhanced

The Panel evaluation follows:

CRITERIA 1

The compatibility of the applicant’s proposal with the site’s National Register and Landmark designations. For concepts that involve multiple buildings or mixed use concepts, respondents should describe the framework that unites differing elements of the proposed uses. The NPS seeks to adaptively reuse the historic buildings in an economic, visual, and programmatically compatible and cohesive manner.
